

## Job Description:

We are seeking a motivated and compassionate **Associate Veterinarian** to join our team. The ideal candidate will be responsible for providing high-quality medical care to our patients and excellent customer service to our clients. Key responsibilities include:

- Performing physical examinations and diagnostic tests on pets to assess their health.
- Developing treatment plans and prescribing medications as needed.
- Performing surgical procedures, including spays, neuters, and other soft tissue surgeries.
- Providing preventive care services, including vaccinations, parasite control, and dental care.
- Communicating effectively with pet owners to educate them about their pets' health and treatment options.
- Collaborating with other veterinarians and support staff to ensure the highest standard of care for our patients.

## Requirements:

- Doctor of Veterinary Medicine (DVM) degree from an accredited veterinary school.
- Valid veterinary license in [State].
- Strong diagnostic and surgical skills.
- Excellent communication and interpersonal skills.
- Compassionate and empathetic approach to animal care.
- Ability to work effectively in a fast-paced environment and collaborate with a diverse team.

## Benefits:

- Competitive salary and bonus opportunities.
- Health insurance and retirement benefits.
- Continuing education allowance and opportunities for professional development.
- Supportive work environment focused on work-life balance and employee well-being.

## How to Apply:

Please submit your resume and a cover letter outlining your qualifications and interest in the position to [cvcnovato@gmail.com](mailto:cvcnovato@gmail.com).
